

# RENO - TAHOE ANESTHESIA

## JOIN OUR TEAM!

### WHERE WE WORK

#### RENO, NEVADA

- We are a rapidly growing physician owned anesthesia group in northern Nevada, covering 3 hospitals and 5 ASCs in the Reno area.
- Excellent work life balance.
- Minimum 8 weeks of vacation per year.
- Pay is in the top quartile of MGMA average.
- OR home call (1 q 15) with low case burden.
- Wide variety of inpatient and outpatient surgery including peds and regional, but with no trauma, no transplants, and all your own cases!
- 1 year partner track, W2 first year but with all the same compensation incentives as partners.
- Once voted in as shareholder, partners enjoy a flexible compensation style to maximize tax savings while still having access to group benefits.

### WHERE WE LIVE

#### NORTHERN NEVADA

- Thanks to its proximity to the San Francisco Bay Area and business friendly tax structure, Northern Nevada is experiencing rapid growth due to an influx of technology companies
- No state income tax
- Excellent public and private school systems
- Reno is a mountain community offering unparalleled access to all that the Sierra Nevada mountains have to offer
- 15+ world class ski resorts within a 2 hour drive
- 45 minutes to Lake Tahoe
- Endless trails for hiking and world class mountain biking
- Reno is your perfect jumping off point for day trips and weekends, with short flights to major cities on the West coast and manageable driving distance to many beautiful destinations (Napa/Sonoma, San Francisco, Yosemite).

### WE ARE FAIR

Our group prides itself on being egalitarian. We do not take advantage of our new members.

We do not require any buy-ins or additional call from new hires.

We do not have a non-compete

### WE ARE TRANSPARENT

We are 100% dedicated to building a group that fosters trust in leadership and gives all members full transparency into the day to day operations.

### WE ARE COHESIVE

Come meet our group! We are a laid back bunch with a good sense of humor looking for team minded individuals with a passion for excellent clinical anesthesia.

WE WOULD LOVE TO HEAR FROM YOU!
